STRONG POINTS			WEAKNESSES
Versatile, productive player who flashes underrated playmaking ability. Team leader type. Good athlete who can support the run, cover, and blitz. Has smooth c.o.d. skills. Plays with a high motor and aggressive style.			More quick than fast. Plays better than beaten with deep speed.
SUMMARY			
Weddle plays under the radar in relative obscurity, but his value is high. Jack of all trades type. Solid, talented in many areas. Flashes playmaking ability as a ball hawking safety, yet he's not afraid to support the run. Good athlete who's more quick than fast. Has good football intelligence and will be a team leader. Depending on his workouts, should be a solid second round selection.
