Mason Burr is an offensively gifted player who has natural goal scoring ability. Mason is a smooth skater with a long stride. He is also a fast skater and always keeps his feet moving. Mason is a defensively responsible player; he back-checks hard, has an active stick in the neutral and defensive zones, works hard to clear his own zone, and has good defensive zone positioning. Mason controls the puck very well; he cycles and works hard down low using his strength to protect the puck. Mason works hard on the fore-check, drives hard to the net often and rarely gives up on the play. Mason is not an overly physical player however he doesn't shy away from giving or taking hits when effective. Mason uses his footwork and ability to read the play to constantly find open ice. Mason's passing ability and shot make him a threat in the offensive zone when he has the puck.
