Austyn Rattee is a very hard working player. Austyn is a very fast skater who uses his quick feet, and stops and starts to be an explosive skater. When Austyn plays he is all over the ice. When he is in his own zone he's trying so hard to get the puck out that his running around sometime hurts his team more than it helps. Austyn has a ton of heart, taking big hits and getting right back into the game. Austyn needs to keep going and put more effort into slowing down and thinking more clearly when on the ice. Doing so will help him skill wise and also allow him to exploit the speed advantage he has on most players.
